Founded in 1951, COTA Victoria has been the voice of senior Victorians for more than 65 years.

Our vision and mission

COTA believes that ageing in Australia should be a time of possibility, opportunity and influence.

COTA's work is driven by the diverse voices of older Victorians. In working to achieve our vision, COTA seeks to advance the rights, interests and futures of Australians as we age.

Our work

Seniors Information Victoria

Seniors information Victoria provides free information to older people on issues like housing, wellbeing, finances and retirement.

Community education

We run programs and information sessions for older people on a range of topics such as retirement planning and ageing well.
